Greater Matthews Habitat for Humanity Celebrates 30th Anniversary

MATTHEWS, N.C. (October 15, 2019) – On Wednesday, October 30th, Greater Matthews Habitat for Humanity (GMHFH) will be holding their inaugural fundraising breakfast at Threshold Church. GMHFH will be celebrating 30 years of building decent, affordable homes in the Matthews community and honoring individuals and partners who had been instrumental in starting the organization and building its capacity over the years. Since their inception GMHFH has partnered with the local community to meet their mission in making homeownership a reality for hard working families in our community. Together with local volunteer and sponsor support they have built 108 homes. Honorees include St. Stephen United Methodist Church; Sardis Presbyterian Church; Pace Construction; Stuart Rose; Sandi McGarrah and Laurie Little. GMHFH’s Building Committee will also be honored for their tireless commitment to helping lead the efforts on each of the builds.

Register today to help honor those who have given so much and learn more about how you can be a part of providing housing that is affordable to hard working families in our community. The breakfast will take place from 8:30 A.M. to 10:00 A.M. and is open to the public. There is no charge to attend, but GMHFH does ask that you RSVP to rsvp@habitatmatthews.org by October 24th.

Since 1989, Greater Matthews Habitat for Humanity has addressed the lack of affordable housing in our area by providing decent homes with an affordable mortgage to help lower-income families obtain self-sufficiency and break the cycle of poverty. Habitat partner families help build their home alongside volunteers and make regular mortgage payments. Through financial support, volunteering or adding a voice to support affordable housing, you can help families achieve the strength, stability and self-reliance that they need to build better lives for themselves.
